A Message from Code Enforcement:

The City of Harrah has a fee schedule which includes fines for not mowing your yard, excessive trash accumulation, illegal disposal of household garbage, derelict vehicles, non-conforming mobile homes, fire hazards, public nuisance, trash & weeds, health nuisance and many others.

These types of infractions can be met by the abatement process or by issuing a ticket for \$200.00 dollars! Please begin cleaning up around and about your properties before they get "out of hand". The City would prefer that you take care of these issues before we begin receiving complaints because this will certainly begin the legal process. Should you have questions please feel free to contact City Hall, the Code Division specifically, at 454-2951, so that we may help you by being proactive. Your continued assistance is always appreciated by helping us "Keeping Harrah Clean". Again, thanks in advance for your cooperation.
