A MESSAGE FROM CODE ENFORCEMENT

Well, since it is really winter now, there are a few tips which will continue to make Harrah Beautiful! Clean up your yards, tag your parked vehicles, repair your falling down fences and just spruce up around the home place. When you are bored, wondering what you could be doing, keep these tasks in mind so they do not take up your valuable time this spring! If you go ahead and get this kind of stuff done you may not be hearing from Code Enforcement come Spring so help us to help yourselves.

If you have a business in Harrah there are a few things you must do. Come by City Hall and fill out the Occupancy Permit, provide a copy of your tax permit from the State. By doing this we can keep track of all the business community in conjunction with the Chamber of Commerce. Again, help us help the City of Harrah be the best that we can be!
