## IMPORTANT INFORMATION REGARDING YOUR UTILITY SERVICE

Harrah City ordinance states that each utility customer will provide a deposit to connect to utility service. If services are disconnected at any time, the customer must come in and pay account balance in full, prior to the Utility Department reconnecting service. At no time is the customer to re-connect their own water service after being disconnected by the city. Ordinance 10-205 states: TAMPERING WITH OR DAMAGING PUBLIC UTILITIES, LARCENY. This action by the customer will result in a fine of \$50.00 for tampering and a possible municipal fine of \$559.00 for tampering with or damaging city property. If you need your water turned off for any reason, please contact the Utility Clerk at City Hall 405-454-2951 during regular business hours and after hours, please contact the Harrah Police Department 405-454-2222.
