Road Closed But Businesses ARE open*

As you know, Harrah Road south of 29th has been closed to through traffic since October 6th. The projected time for the road to be closed is 100 days. In the 4 weeks it has been closed, the businesses on 29th & Harrah have seen a huge drop in business, some up to 80% loss. The Harrah Chamber of Commerce has partnered with Country Boy to do a drawing. Visit an affected business and enter your name for a chance to **win \$100**. Two winners will be drawn each month through January. Only 1 entry per business per day.

***Drawings will be December 22nd and January 26th**

*Let's pull together as a community & help those hurting at this time by remembering to shop Harrah first. Keep it local.

*****PHONE PAYMENT ELIMINATION ****Due to new global standards being implemented to help deter credit card fraud - we will begin new Credit Card payment procedures **EFFECTIVE JANUARY 1, 2015**. We will no longer be able to accept phone payments. Credit cards must be used in person, in the office. We are sorry for any inconvenience this may cause but it is for your protection. As always - you can pay in a number of ways: online on our website www.cityofharrah.com, mail your check or money order payment to the address on the BOTTOM pay stub of your bill, come into the office or drive thru during business hours or drop your payment in the night drop slot after hours behind the building.

The Harrah Road Project is proceeding on schedule with the detour in place! The bridge demo will be done and construction started shortly!!! Please be patient a little longer, the reward in the end will overshadow the inconvenience we are experiencing now.
