January 2018

Published by City of Harrah

Mayor Larry Fryar closes out 2017 acknowledging all the wonderful things that happened in Harrah over the past year. There were state champions, many students that excelled in academics, band, and many of the extra curricular activities Harrah Public Schools has to offer. The Superintendent, Principals, and teachers play a vital roll in the success of their students.

Mayor Fryar says the city is in great shape according to auditor Bob Dillion. The staff at city hall and the employees for the different departments are very good stewards of the city's money which keeps the city up and running on a daily basis.

The mayor is very proud of the events that are growing in Harrah. Harrah Day is getting bigger and better every year. The Park Board is always working to add new and exciting events at the Park. The park looked amazing this year for the holiday season.

Mayor Fryar is excited for 2018 and all that the New Year will bring to Harrah. Have a safe and Happy New Year!!
