December 2018

As we embark on a new year and you find you have extra time on your hands let me share with you a couple of ideas that may have never crossed your mind.

The city is always happy and grateful to add to our volunteer list. The Park Board and the Friends of the Park are made up of volunteers. Many of the great events have come from people offering up ideas and then becoming board members. It does require some time on your part but the rewards far out weigh the extra hours of hard work.

There are other boards you can serve on through out the city. There is a form on the web-site you can print out and bring to city hall. A servant's heart is always a happy heart!!!
