Christmas day 2017, Cameron Strange was having a heart attack. His defibrillator had stopped working and never brought him back. Cameron's daughter called 911 and Harrah Police Officer Dave Therio was first on the scene. He immediately started CPR and continued until EMT'S arrived and took over for Officer Therio.

Christmas 2018, has a new meaning for Mr. Strange. Because of the training and professionalism of our first responders he will be spending another Christmas with his family.

Cameron Strange was so touched by Officer Therio that he reached out to Channel 4 News and their pay it forward program and nominated Officer Therio to receive the \$400.00 gift that the TV station allows for the recipient and their good deed.

We are so proud of Officer Therio and all the First Responders that had a part in saving Cameron Strange's life.
