The following is information on becoming a food/beverage vendor and attached application

- Please retain a copy of this letter for information; otherwise any questions can be directed via email to: saturdaysonmain@gmail.com
- Acceptance of application, and confirmation of date(s) will be made via email, and will include any additional information you may need to know.
- **Vendor fees are due 30 days before that event, and a reminder will be sent.**
- Due to space limitations, please rank dates in order of preference on the application. The number of applicants will determine the number of events in which each vendor may participate.
- **The street is short and can be chaotic during set up; staff will be on hand between 2 – 5, and the closer to 5 the crazier it gets. ALL set up must be done and vehicles moved by 5pm NO EXCEPTIONS.**
- Eligible applications must include: a complete menu, photos of food truck/trailer with a description of its dimensions.
- **Food Trucks must stay for the duration of the event, rain or shine, unless staff tells you otherwise. If you choose to leave the event early you will NOT be invited back for future events.**
- Although it is best if you are self-contained, electric and water are available and included in the fee. **We have 30 amp, 50 amp and 110 outlets and prefer you use electric over generators.**
- All extension cords and water hoses are **provided by VENDOR**. If you require water or electric, please mark accordingly on the application for best location to meet your needs.
- We will try not to duplicate food items from multiple vendors, however sometimes you may have a few items of the same.
- Food and beverage vendor selection will be made on a first come, first served basis.
- Return the completed application either via email or mail, all fees should be mailed to:
