City of Harrah

### RULES OF THE SUMMER:

**Avoid Heat:** Stay out of the heat and stay indoors as much as possible. Spend time in an air conditioned space. Remember electric fans do not cool, they just blow hot air around.

**Dress for the heat:** Wear loose fitting clothes that cover as much skin as possible. Lightweight, light-colored clothing that reflects heat and sunlight and helps maintain normal body temperature. Protect face and head by wearing a wide-brimmed hat. Avoid too much sunshine. Use sunscreen with high SPF.

**Drink for Heat:** Drink plenty of water and natural juices, even if you don't feel thirsty. Even under moderately strenuous outdoor activity, the rate your body can absorb fluids is less than the rate it loses water due to perspiration. However, consult your Dr. if you have any diseases that cause fluid retention.

**Eat for the Heat:** Eat small meals more often, Avoid foods that are high in protein because they increase metabolic heat.

**Living in the Heat:** Slow down. Reduce, eliminate, or reschedule strenuous activities such as running, biking and lawn care. Best times early in the morning.

**Learn Symptoms:** Heat disorders happen quickly know how to give first aid.

### FIREWORK PROTOCOL

*Fireworks can only be popped on July 3rd and 4th*

*Be courteous and pick up any trash around your neighbors house*

*Be smart and use your fireworks according to the instructions and appropriate age levels.*

*Have a water bucket close by to distinguish any trash that may still be hot such as sparklers, smoke bombs, fountain fireworks, etc.*
