February 2024

Published by City of Harrah

February

In the heart of February 2024, the promise of a prosperous year ahead. As we navigate through the brisk winds of winter, our community is busy with activity. The recent council meetings stand testament to our collective dedication to progress.

The unanimous approval to overlay Ranchwood Drive and Ranchwood Lane is our commitment to enhancing the infrastructure of our community. These improvements echo the city evolving and adapting to the needs of its residents.

Beyond the streets, is our expansion of Heritage Park. Plans are underway to create new parking areas. The vision extends further, with efforts to overlay existing parking lots and trails, ensuring that our outdoor spaces remain as vibrant as ever.

In support for the safety of our community, a new Rescue Unit for the Fire Department is on the horizon, a vital addition to our emergency services. However, the anticipation comes with the acknowledgment that patience is a virtue, as we await its arrival over the next 12-24 months due to the current backorder situation.

As we stand on the promise of progress echoes in every decision made, let us move forward united, embarking on a journey towards a future we are collectively shaping. Together, let's usher in a year marked by growth, resilience, and shared achievements.
