## **2. Adjournment**

Before we adjourned the meeting the Chair asked if there were any comments.

Cary Lacefield commented that as a committee she feels that we need to look at not only what we want for Harrah, but what the people want. That what we felt was important to us, might not be what a family of today is wanting or needing.

Many discussed the importance of Harrah Schools for the growth to happen. The school needs to grow not only in size but with academics.

With no further discussion the meeting was adjourned at 7:00 pm.
