September 2024

Published by City of Harrah

## September 2024

School has started, summer is ending, and the city has exciting things happening.

The City Council is working on several grants for different projects for the city. These projects include upgrades to the roads/streets, parks, sidewalks, and lighting.

The City of Harrah congratulates the new owner of the Harrah State Theater. We wish success and prosperity in this exciting venture.

The City of Harrah welcomes CARDS Recycling and Disposal to our community. CARDS acquired the final year of Harrah Disposal's 5-year contract. We would also like to thank Karen and Harrah Disposal for their service to the city from 1988 to 2024.

Please come out and celebrate Harrah Day on September 14, 2024. This is an all-day event starting at 9:30 am with the parade. There will be many events at Heritage Park throughout the day including food trucks, car shows, kids' zone and live music, with fireworks ending the celebration at 9:30 pm.

The parade route starts on 10<sup>th</sup> street, and heads north on Church Ave through downtown to Bradley Street. Reno to 10<sup>th</sup> Street will be closed starting at 7:30 am and ALL downtown roads close at 8:30 am.

The Splash Pad days will be extended to weekends only during the month of September including Harrah day. It will close for the season the evening of September 29, 2024.

Octoberfest on Main Street is September 28, 2024, starting at 4:00 pm.

The city still has several job opportunities available at [cityofharrah.com](http://cityofharrah.com) under careers. If you would like to be considered for a city position, please submit your application.

**IMPORTANT INFORMATION ABOUT YOUR DRINKING WATER**

Harrah Did Not Meet Monitoring Requirements

Our water system violated drinking water requirements pertaining to the contaminant(s) of concern listed below. Although none of these violations are considered emergencies, as our customers, you have a right to know what happened and what we are doing, or have done, to correct these violations. Customers are not at risk and there is no reason to suspect any potential adverse health effects. Alternative water supplies are not needed.

We are required to monitor your drinking water for specific contaminants on a regular basis. Results of regular monitoring are an indicator of whether or not your drinking water meets health standards. During the following monitoring periods, we did not monitor or test for the following contaminants, and therefore cannot be sure of the quality of your drinking water during that time:

Type of Sample(s)	Monitoring Period(s)
2,4-D (SOC)	01/01/2023-12/31/2023
HEPTACHLOR (SOC)	01/01/2023-12/31/2023
TOXAPHENE (SOC)	01/01/2023-12/31/2023
GLYPHOSATE (SOC)	01/01/2023-12/31/2023
METHOXYCHLOR (SOC)	01/01/2023-12/31/2023
BHC-GAMMA (SOC)	01/01/2023-12/31/2023

What should I do? *You don't have to do anything. The city has already tested the water.*

What happened? *What is being done? We don't receive the test bottles from DBO. We have already retested the water tests and delivered them to DBO.*

We anticipate resolving the problem by this date: *Potential by 7-29-2024. Hope have the results in 4 months*

For more information, please contact: *Jerry Chipman* Phone Number *405-955-2768*  
or *MaryK Dovel* Address *19745*

Please share this information with all the other people who drink this water, especially those who may not have received this notice directly (for example, people in apartments, nursing homes, schools, and businesses). You can do this by posting this notice in a public place or distributing copies by hand or mail.
